2010-2011 ALU TEXTBOOK AND PUBLICATION SHIPPING

ALU textbooks may be downloaded from the ALU website without charge. If the student prefers a printed textbook, it may be purchased from the ALU Administration Office for a nominal charge plus the cost of textbook shipping as shown below. Please note that the anatomy textbook, *Essentials of Anatomy and Physiology*, Fifth Edition, is not available for download online and must be purchased from the ALU Administration Office or from a commercial distributor such as Amazon.com.

Shipping Charges Must Be Added to All Textbook/Publication Orders

Textbook Shipping

Within the U.S., textbooks are shipped via USPS Priority Mail. Textbooks are shipped to all other destinations via Federal Express International Economy to assure timely delivery. There is an added charge for textbooks shipped to all destinations, and all textbook orders must include the added charge for textbook shipping as shown below. To determine the shipping charge, locate the destination area in the left-hand column; the international shipping charge is shown in the column under the number of textbooks ordered. All amounts shown are in US\$.
